

Need to Know Info

Hours of Operation

Data Storage, Inc. regular business hours are 8:00am-4:00pm Monday through Friday, excluding holidays.

Emergency Service

Emergency service is available 24/7/365. In order to contact Data Storage personnel for emergency service call 918-664-6164. Allow the phone to ring up to 12 times. Your on-call Data Storage employee will answer the phone and make arrangements to meet you at the Data Storage offices, make a delivery to you, or assist in any way possible.

Rush Deliveries

One-hour service is available anytime during the Data Storage workweek. Place all rush orders by phone. Our guarantee is to deliver all rush orders in one hour, or the delivery is free.

Media Service

All magnetic, or digital media should be transported in appropriate carrying cases. These cases insure that the information is protected from shocks and temperature fluctuation during transport. Media cases are available for purchase or rent from Data Storage and numerous other retailers.

Data Storage Forms

All of these forms are available on request in electronic format.

Products

Data Storage also has a broad line of new Data Storage Brand boxes, Wasp barcode software, Symbol barcode scanners, Symbol handheld computers, Perm-A-Store protective case and other products available for sale and support!
