

Stop putting confidential information in the dumpster

- Data Storage shred containers are designed to fit under a desk or counter
- Each container will hold 60lbs of confidential paper documents
- The locked containers can be picked up for shredding on a daily, weekly or monthly basis
- Billed once per month
- Placing shred containers in cubicles:
Saves time and trips to the “recycling bin”
Decreases the number of confidential documents being tossed in the trash.

Container use and monthly shredding only \$10.00 per container per month.
